# Welcome to Bonaire Beach Apartments

Bonaire Beach Apartments is a modern complex in a prime location, close to the center of Kralendijk and within walking distance of Chachacha Pier and the beach.

Each apartment features two bedrooms, two bathrooms, and a bright, comfortable interior. Residents have access to the shared swimming pool and tropical garden.

The apartments are suitable for short-term rentals, with a tax advantage for second homes: property tax is calculated based on the original value at completion, not the current market value.
